The Levoni Prosciutto crudo di San Daniele is produced according to the strict standards of the production regulation of the San Daniele Prosciutto Consortium in the North east side of Italy. Pork legs come exclusively from heavy pigs weighing at least 160 kg, bred in northern and central Italy; this ham is produced by Levoni San Daniele Prosciutto curing plant in San Daniele, Friuli Venezia Giulia area. Levoni Prosciutto di San Daniele PDO is characterised by a particularly mild and delicate taste and is boneless so is ready to slice.
