

Italialesse

CARAFFA VAS CC. 1000

Description

A carafe with a sinuous, elegant line made of mouth-blown glass. The asymmetry of its sides creates a paunch that is the eye-catching aspect of the carafe, making it at the same time easy to handle. Natural and perfect simplicity are the most distinctive features of Vas carafe, designed by Todd Bracher for Italialesse, has a plastic-cap for closure.
