The new shape of Balsamic Vinegar

Giusti's White Condiment becomes a soft sphere, a surprising addition to any type of dish. An excellent white vinegar is revisited into a new form, launching an innovative expression of a long standing Modenese tradition, offering new possibilities for creative cooking. The White pearls award a precious contrast of sweet and sour to any dish, guaranteeing an excellent uniformity, even when combined with warm dishes, and a particular and engaging texture to the palate.
