Aceto Balsamico Giuseppe Giusti Modena

100 YEARS AGED MODENA BALSAMIC VINEGAR

Ref: GIU-888

Size: 100ml

The “Riserve” are the most exclusive of the Giusti collection, produced each year in extremely limited quantities. They are extracted from some precious series of barrels, which have been in production since 1700’s. One of these barrels, coded as “A3”, was brought by Giusti to the National Fair of Florence in 1861, where a 90 years old Balsamic Vinegar was awarded a gold medal, a recognition successfully repeated at the Expo in Paris in 1889.

In keeping with this precious production, the case is composed of the 5 types of woods that make up a typical series of barrels; the front label is engraved in 24-carat gold, while the back label is made with the ancient technique of letterpress printing, using a classic lead character font of Modena from the 19th century.
