Salsiccia Mantovana – Salamella

Fresh sausage from Mantua is made with the best pork parts: lean shoulder meat, tender fat trimmed from belly and ham. Meat is coarsely minced, salted and dressed with garlic and pepper, then filled in casings and tied to form strings. It is delicately flavoured following the Mantuan tradition. On touching it, it is tender, its taste is appetizing and hearty with a garlic scent. Salamella is consumed after being cooked: on the grill or with white wine in a frying pan. It is also available in a convenient 2 piece vacuum pack.
