Levoni

PANCETTA ARROTOLATA WITH SKIN

Ref: LV-333

Weight: 3.5 kg

Classic skin-on pancetta from pigs bred in Italy. Tied by hand with a delicate, yet hearty taste thanks to its lengthy maturation period.

Pancetta and lardo

To obtain prime quality pancetta and thick, firm lard, Levomi accurately selects the raw materials. The best pieces are salted, seasoned exclusively with spices and natural flavourings, then matured following the methods handed down for almost 100 years. The result is a wide pancetta and lard assortment with tastes ranging from mild to strong, always unique.
