FUSILLI

Ref: PS-090

Weight: 500 g, 12 pcs each carton

Sinuous screws, gently enthralled, designed to capture the slickest of sauces. Bite meets the twisted leaves to find at the end an almost crunchy core: you'll slowly free the dressings from the fusillo coils, to be pervaded and satisfied. Try them with a *pesto alla trapanese*, with an artichoke ragout, cold as a salad.
