Fresh Vegetable

CHERRY TOMATO EXTRA QUALITY

Ref: TOM-01

Italian name: Pomodorino Ciliegino

Weight Order: 5-7 kg

Description: Fresh pomodorini directly from Sicily in Italy. Small, full of flavour cherry tomatoes ideal to eat with pasta in a homemade fresh sauce or as in the 'Caprese' salad: on top of buffalo mozzarella. The cherry tomato is also consumed as a fruit because its flesh is very sweet.

Season: from May to September

Serving suggestion: It can be used as an appetizer or more frequently in salads, whole or cut in half. You can also prepare the sauce for dry pasta and boiled rice, given its particularly delicate flavor. But the pasta can be made ??even more acceptable using as a dressing the raw cherry tomatoes (some cut), combining some olives, some capers and just a little Olive oil. It is common its use on the pizza. Because of their shape and bright red they are perfect to decorate many different dishes and then to make more attractive and colorful lunches and dinners.
