Antica Tostatura Triestina

COFFEE PODS VENDING

Ref: C-CFPV600

Weight: around 1 kg/ box

Package: Box of 150 pods

Case Unit: 6 x 150 pods

Description: Also based on our Nessum Dorma blend, these wholesale espresso pods are designed for use by professionals in espresso/coffee bars and other retail environments.

Individually packaged in a single dose, nitrogen flushed, double film sachet to ensure ultimate freshness and quality, these pods are designed for speed and consistency, and eliminate the mess created in environments that use whole beans and grinders.

Machine Compatibility: All traditional domestic espresso machines using a dosage of 7g of ground coffee per single shot of espresso.

This Decaf option can also be used by coffee shops or restaurants with only one grinder.
