Fresh Vegetable

RED EGG TOMATO

Ref: TOM-08

Italian name: Pomodoro ovetto rosso

Weight order: 5-6 kg

Description: The Red Egg tomato is unique in its versatility and shape. Its unique egg shape is what distinguishes the Red Egg from ordinary plum tomatoes. The even slices ensure that any dishes made with Red Egg tomatoes do not simply taste delicious, but also look beautiful. A unique characteristic of the Red Egg tomato is also its higher proportion of flesh compared to other tomatoes, which gives it a fuller flavour.

Season: from May to September

Serving suggestion: The egg shape also means it can be cut into attractive even slices, making it perfect for salads and sandwiches.This means the Red Egg tastes delicious on its own as well as in sauces and soups, where you can really bring out its full flavour.
