EXTRA VIRGIN OLIVE OIL OLIONOVO - CASTELLARE DI CASTELLINA

Ref: OILELL5

Size: 0.750 Lt bottle

Olive Type: Frantoio, Pendolino, Ascolano, Moraiolo

Fringing: strictly in the cold, stone grinding

Unlike wine, extra virgin olive is excellent when it's young, even better when it's just fringed. To underline this characteristic, Castellare has patented the name L'Olionovo, the authentic expression used by tuscan peasants to name the just fringed olive oil. Thick, green coloured with golden reflections, fruity and spicy enough to make it flavoured and tasteful.
