TURNIP TOPS

Ref: CIM-01

Weight: 5 kg

Description: Also known as Cime di Rapa or broccoli rabe, they are a wilder member of the broccoli family with small, loose florets and tasty leaves. They are packed with turnipy flavour and mustardy overtones.

Season: Fall and Winter

Serving Suggestion: You can eat the whole thing (aside from the tougher part of the stalk) and are delicious boiled then sautéed and traditionally served with orecchiette.
