TROMBETTA ZUCCHINI

Ref: ZUC-05

Italian name: Zucchine trombetta

Weight order: 4-5 kg

Description: Pale green and crispier than other types of courgettes, our Trombetta courgette are sweet and delicious. Unsuprisingly, this courgette takes its name from the resemblance it shares with the brass instrument. Slender and curved, this type of courgette holds less water than the other types, retaining a firmer texture when cooked.

Season: Summer

Serving suggestion: Its firm flesh and delicate flavour will be enhanced by light cooking and will be a perfect match to white meats and seafood.
