Fresh Vegetable

CHIVES

Ref: ARH-04

Italian name: Erba cipollina

Weight order: 100 g per bundle

Description: The smallest and most delicate member of the onion family, chives are a popular herb used in European cookery. They have long, thin green blades that are hollow inside. They have a mild, grassy flavour similar to baby spring onions or young leeks.

Season: Spring and summer

Serving suggestion: Often snipped and sprinkled on food just before serving for seasoning. Matches well with: eggs, fish, potatoes, salads, shellfish, sole, soups
