FLUTE N.5 CC. 280

Description

Flûte with an evergreen design, easily distinguishable, recently updated. Closer and with a thinner stem – not losing in resistance – this flûte encloses a natural elegance exalted by a particular dropshaped point and by a long stem which allows to maintain a correct distance between the hand of the wine taster and the bowl. Produced with Xtreme® technology, which improves automatic glass goblets' mechanical and chemical resistance.
