Italesse

SMALL LED BASE

Description

Led rechargeable base, it can be used also with other Italesse buckets, such as Tonic Ice or Solomon. Easy to be inserted in the bucket base, it gives light to the bottles contained in it and to the environment that surrounds it, becoming a useful yet strongly recognisable objet.

Colours

White

Materials

ABS

Use

An ideal tool for the night life, it gives light to the bottles contained in buckets and bowls creating an original atmosphere for the environment that surrounds it.
