Italesse

SOLOMON

Description

Ice-bucket that takes inspiration from the sinuosity of the Guggenheim Museum of New York, emphasizing its profile and squaring its lines. With a handy and ergonomic detail that facilitates transportation and characterized by its large size, Solomon becomes a fruit bowl, a centerpiece, a vase, reinforcing the multifunctionality of Italesse products.

Colours

Clear, white, red, black

Materials

Acrylic

Use

For one wine/champagne bottle; also for tins or mini-sized bottles. Alternative use:

for fruit or as centrepiec
