EASY BOWL OVAL

Description

An acrylic champagne bowl of the Easy range with a novel oval line. The curves of the upper edge and the bottom – opposite sides inclined with respect to each other - are specially studied to allow the bottle to be lifted up as if on a display. The new form makes the champagne bowl more sinuous and elegant, while the special diamond cutting exalts the variations in thickness and luminosity. Suitable for holding and refrigerating up to 6 wine or champagne bottles, or even cans and small bottles.
