EASY BUCKET SQUARE

Description

Squared shaped bucket in acrylic - part of the Easy Line - with the peculiarity of oppositely inclined lines of the bowl's superior edge and bottom. This attribute enriches the bottles contained and present them as they would be on a standing supporter. Its external, diamond-cut edge exalts the brilliance and thickness used within. Ideal to show and refresh one bottle of still wines or champagne.

Colours

clear, black

Materials

Acrylic

Use

For one wine/champagne bottle; also for tins or mini-sized bottles. Alternative use: for fruit or as centrepiec
