Italesse

MORTAIO EPI

Description

This food-polypropylene mortar has an undulated profile for a better grip while grinding. Its cartoon-like look makes it funny. The internal cup's inclination, allows its user to move the pestle in any position to also guarantee an improved dynamic movement while grinding. The bottom-base is provided with small rubber supports to maintain it firmly on any type of surface.

Colours

Black

Materials

Food polypropylene

Use

Mojitos' preparation (for 1 or 4 persons). Alternative use: pesto or other recipes preparation
