## IPO 4 BIG PESTLE CLEAR (FOR EPI4) WITH BLACK SPOON

### **Description**

Ipo is the new-Italialesse branded pestle; it can be combined with Epi mortar, allowing the user to ground and then scoops up the mashed mixture – with the spoon situated at the opposite side of the pestle – to pour it in the tumblers at disposal. Its ergonomic-new generational shape, allows a solid handgrip; the material is acrylic, made so as to avoid slipping during the beating phase.
