Fiordelisi

SUN DRIED TOMATO

Ref: FIOR-01

Weight: 1 Kg

The Fiordelisi sun-dried tomato is characterized by a bright red color and an elongated shape. It is soft and pleasant on the palate and well expresses the taste of tradition and experience. No chemical additive is used for sun-drying.Fiordelisi's motto has always been "Only sun and salt". It's just salt, in fact, that acts as a natural preservative and allows tomatoes to keep their bright color. Thanks to an innovative salting method, Fiordelisi can get sun-dried tomatoes with low salt content. Moreover, in line with the culture of attention to health, Fiordelisi has chosen to use iodized salt. Fiordelisi can provide continuous supply of homogeneous batches of product over the year. With its 100,000 square meters of sun-drying facilities, the company develops a production capacity which is around 1200 tons for sun-dried tomatoes only.
