# SATEN BRUT DOCG

La Valle Satèn, a masterpiece of elegance, the definition of Franciacorta.
Satèn, a name that evokes the delicacy of silk, a unique wine because it can be made only in Franciacorta, in a marvelous La Valle interpretation. A brilliant marriage of only white grapes, Chardonnay and Pinot Bianco, that is distinguished by its incredible finesse. A brief passage in small oak casks and a quantity of added sugar smaller than that used in any other spumante create, during the secondary fermentation in the bottle, a magical sparkling wine that gently caresses the palate. A seductive and delicious brut, fresh, soft, silky, gently fruity and floral, a perfect poem of scents, a symphony of pleasant notes that embrace the senses like a walk in the moonlight, La Valle's Satèn provides the most refined and exclusive pleasures of Franciacorta.
Excellent companion for important occasions and a regal aperitif, it is an extraordinary match for delicate dishes and is perfect with shellfish.

## LOMBARDIA

Lombardia (Lombardy) is a region situated in the north central of Italy. In the lowland the winters are frigid and the summers sultry. During autumn and winter there are dense and persistent fogs. In the hills the fogs are less frequent as well as the warm summers. In the mountain instead the climate is very rigid and milder on the lakes of prealps. The region is known particularly for its sparkling wines made in the Franciacorta and Oltrepò Pavese areas. Lombardy also produces still red, white and rosé wines made from a variety of local and international grapes including Nebbiolo wines in the Valtellina region, Trebbiano di Lugana white wines produced with the Chiaretto style rosé along the shores of Lake Garda.;
