CARNAROLI RICE

Ref. CB-22CBEVIA

Size: 1Kg

FOR FINE RISOTTOS AND EXCLUSIVE CUISINE.
The Carnaroli rice grains have the highest content of amylose, a substance that contributes to make the grain compact. For this reason, it boasts special gastronomic attitudes with an escellent balance between good absorption capacity and little starch loss so that there is no danger of overcooking.
This makes it an excellent rice variety, particularly appreciated by great chefs for the ability of its grains to stay hard at the core and to stay perfect and well separated.
