ORGANIC ITALIAN BLACK RICE

Ref. CB-17CBENER

Size: 1 Kg

The Black rice originates from China, but is today cultivated in specific areas of the Po valley in Italy. It is a pleasantly aromatic wholemeal rice that cooks in 40 minutes, releasing a special aroma somewhere between sandalwood and freshly-cooked bread.
Its black colour, is a rare characteristic. According to legend, in the past Chinese farmers cultivated it only for the emperor and his court, it was appreciated it for its nutritional and aphrodisiac properties (also known as forbidden rice).
It is delicious boiled and flavoured with oil or butter or used as a side dish for fish or meat.
"Thanks to the traditional stone husking and the meticulous selection process, this rice can boast the characteristics of tangible excellence of the "Extra Quality", awarded exclusively to products with less than 1/3 of the imperfections identified by law."
