CORBARA CHERRY TOMATOES IN WATER

Ref: INS-COR520

Weight: 520 g, 12 glass jar each carton

Description: Corbara Cherry Tomatoes in water

The Corbara Cherry tomatoes are the essence of Corbara flavors, these are grown mainly in the vineyards, on the slopes of the rolling hills of the country.
The particular flavor of Corbarino its to taste slightly acrid and it makean excellent product to be consumed fresh, dressed in crisp salads or work for the realization of sauces. Excellent when cooked with fish, because it is able to absorb the bitter salty sea jealously retaining it.
This has elongated oval shape, tending to plum-shaped or pear-shaped, fully ripe presents intense red color and red pulp.
The main feature that distinguishes the Corbara cherry tomatoes is that of a product with a low acidity and high sugar content that makes it particularly valuable and tasty. All tomatoes are picked and processed the same day. Is a Gluten-free and No GMO product.
